

# 19<sup>th</sup> International Conference on Molecular Magnetism 2025

October 27-31, 2025 - Bordeaux (France)

## SECOND CIRCULAR

It is our great pleasure to invite you to attend the 19<sup>th</sup> International Conference on Molecular Magnetism (ICMM) to be held in Bordeaux, from October 27<sup>th</sup> to 31<sup>st</sup>, 2025. ICMM2025 is the largest international forum for leading chemists, physicists, materials scientists, and junior researchers to present and discuss the most exciting new developments in molecular magnetism and related fields: molecule-based magnets, molecular nanomagnets, spin-crossover materials, multifunctional and/or switchable materials, nanostructured magnetic materials, molecular spintronics and devices, and other hot topics related to molecular magnetism. Up to 450 participants are expected.

### Conference Chairs

**Rodolphe Clérac, Corine Mathonière** (CRPP, Bordeaux - France), and  
**Guillaume Chastanet** (ICMCB, Bordeaux - France)

### PLENARY SPEAKERS

**Olivier Kahn lecture**  
**Roberta SESSOLI**  
University of Florence, Italy

*Roberta Sessoli is Professor at the University of Florence in Italy and a pioneer in the field of Single-Molecule Magnets. Her interests include the investigation of magnetic molecules, hybrid materials for quantum information and the interplay between chirality and magnetism. She has been awarded of several prestigious prizes and grants over the years.*

**Stefanie DEHNEN**  
KIT, Karlsruhe, Germany

**Mircea DINCA**  
MIT, Boston, USA

**Eiichi NAKAMURA**  
University of Tokyo, Japan

**Wolfgang WERNSDORFER**  
KIT, Karlsruhe, Germany

### VENUE

Bordeaux, with its dynamic history, is a city with a rich heritage, numerous historic and modern sites and monuments, and a traditional and typically French way of life. Located in the south-west of France, its terroir is renowned for its vineyards. Close to the Atlantic coast, the city is crossed by the Garonne River. A historic city of stone and wine, Bordeaux is also a popular destination for its urban ambience, gastronomy and cultural effervescence.

## INFORMATIONS

### RISING STAR MEETING

The organising committee will invite speakers specifically for the Rising Star meeting. The aim is to highlight exceptional PhD students, postdocs and early career researchers (less than 7 years after PhD defense). These invitations will be selected from the submitted ICMM abstracts and will hopefully provide a significant boost to their CVs and future career prospects.

### REGULAR LECTURES AND FLASH PRESENTATIONS

The ICMM2025 programme will include 50 regular lectures and 18 flash presentations. There will be no invited speakers, except for Rising Star sessions and plenary lectures. Selection will be based solely on the quality of the abstracts submitted. Participants interested in a regular presentation (20 minutes) must submit a well-written, engaging and innovative abstract that presents interesting stories and significant advances in the field to ensure a high quality scientific programme.

**THREE PRE-CONFERENCE MEETINGS, THE « OLIVIER KAHN DISCUSSIONS » (OK-D), will be held on October 23 and 24 in downtown Paris** (Sorbonne Université, 21 rue de l'école de médecine 75006 Paris), on topics related to Molecular Magnets, Switchable Molecule-based Materials, and Organic and Molecular Spintronics. Registration and invitations for the OK-D will begin in May 2025 (please note that in order to maximise the number of presentations during OK-D and ICMM2025, a given speaker will be able to present at one of these events).

# 19<sup>th</sup> International Conference on Molecular Magnetism 2025

October 27-31, 2025 - Bordeaux (France)

REGISTRATION FEES (VAT included)	Early bird	After June 6
Academic	600 €	750 €
Student/Post-Doc researchers	400 €	500 €
Industrial/Non-academic	800 €	1000 €

## Extra costs :

- Gala dinner on the evening of October 30, in Bordeaux (100 €)
- « Dune du Pilat » visit + oyster farm on the afternoon of October 30 (60 €)
- Tour of Saint-Emilion + wine tasting on the afternoon of October 30 (60 €)
- Accompanying person: welcome reception + lunch (100 €)

### Gala dinner

The gala dinner will be held on Thursday, October 30, at Château Luchey-Halde, located in the heart of Bordeaux within the prestigious Pessac-Léognan appellation, renowned for its exceptional terroir. Guests will have the opportunity to enjoy exquisite cuisine paired with the estate's finest wines in an elegant and modern setting.

### Saint-Emilion wine and heritage

#### Half-day tour (October 30)

Explore the most iconic historical landmarks of Saint-Émilion, uncover the captivating stories that have shaped its rich past, and immerse yourself in the world of wine—brimming with flavors, heritage, and time-honored traditions.

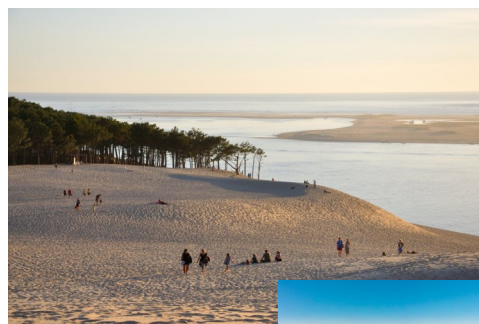

Enjoy a tour and wine tasting at a scenic winery...

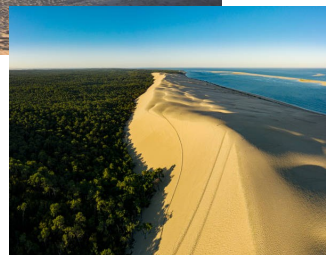

### « Dune du Pilat»: where land meets sea

#### Half-day tour (October 30)

Climb the tallest dune in Europe and take in a breathtaking panoramic view of the stunning Bay of Arcachon!

Stop by an oyster farm to savor fresh oysters paired with a glass of white wine ...

# 19<sup>th</sup> International Conference on Molecular Magnetism 2025

October 27-31, 2025 - Bordeaux (France)

## CONFERENCE SITE

The conference will take place at the **ENSEIRB-MATMECA** (École Nationale Supérieure d'Electronique, Informatique, Télécommunications, Mathématique et Mécanique de Bordeaux, France), located at 1, avenue du Dr. Albert Schweitzer in Talence, on the University Campus of Bordeaux.

## LOCAL ORGANISING COMMITTEE

**Rodolphe Clérac**  
CNRS Senior Researcher  
(University of Bordeaux,  
CNRS, CRPP, Pessac, France)

**Corine Mathonière**  
Professor  
(University of Bordeaux,  
CNRS, CRPP, Pessac, France)

**Guillaume Chastanet**  
CNRS Senior Researcher  
(University of Bordeaux,  
CNRS, ICMCB, Pessac, France)

**Virginie Cosserson-Da Costa**  
Communication and logistics
